Isis Maternity Community Fund Scholarship Application

The Isis Maternity Community Fund was created to help make great prenatal and postpartum education and support more affordable for everyone. We award grants and scholarships to subsidize the cost of many of our services based on client needs and availability of funds.

Our Community Fund is supported by a portion of proceeds from our membership program fees and donations. Isis Maternity is a privately-owned company that does not receive any public or philanthropic financial support, and the costs of operating our services are supported entirely by client fees.

To apply for a scholarship, please complete the short form below and return to **Isis Maternity, attn: Community Fund, 397 Mass Ave, Arlington, MA 02474** or email to cfund@isismaternity.com.
